

RESOLUTION OF THE SUMMIT LAKE PAIUTE COUNCIL
SUMMIT LAKE PAIUTE TRIBE
OF THE
SUMMIT LAKE PAIUTE RESERVATION, NEVADA

RESOLUTION NO.: SL - 14 - 2008

TITLE: Approval of Road Inventory Update for the Summit Lake Indian Reservation

WHEREAS, the Summit Lake Paiute Tribe, is a modern entity of the Northern Paiute People known, in English, as Lake Trout and Wild Onion Eaters who, for thousands of years, controlled 2,800 square miles of land in and around Summit Lake as a tribe with sovereign, unlimited, powers and laws (customs, traditions, usages, etc.); and,

WHEREAS, in 1964, and after much consideration, the members of the Lake Trout and Wild Onion Eaters organized pursuant to Section 16 of the Indian Reorganization Act of June 18, 1934 (48 Stat. 984) as amended, adopting, for certain sovereign purposes, the name “Summit Lake Paiute Tribe” with a tribal constitution titled “Articles of Association,” the latter which was approved by the Secretary of the U.S. Department of the Interior on January 8, 1965; and,

WHEREAS, over time the members of the Summit Lake Paiute Tribe have regained a small fraction of their historic land base, including the Tribe’s reserved lands (Reservation), and the Indian allotments outside the Reservation boundaries; and,

WHEREAS, the Summit Lake Paiute Tribe’s Articles of Association grant to the Summit Lake Paiute Council (see Article II, Section 1) certain sovereign powers, including the power to seek funding from federal agencies like the Bureau of Indian Affairs to improve the welfare of tribal members (see Article II, Section 1 (b), (k)); and,

WHEREAS, approving a road inventory update improves the welfare of tribal members; and,

WHEREAS, the Bureau of Indian Affairs – Western Region Office, Division of Transportation, has initiated a Region-wide Road Inventory Project to collect GPS data, roadway condition data, traffic count data, and photographs to update the Indian Reservation Road (IRR) System inventory database; and,

WHEREAS, a road inventory update was performed by Lumos & Associates in 2005 that called for the re-sectioning of several BIA and non-BIA routes in the IRR inventory, the addition of existing and proposed roads to the BIA System, the addition of non-BIA Routes, and the deletion of non-BIA routes; and,

WHEREAS, proposed changes to the IRR Inventory are identified in Attachment “A”—Summit Lake Paiute Inventory Comparison Listing (appended to this Resolution); and,

NOW THEREFORE, BE IT RESOLVED that the Summit Lake Paiute Tribal Council hereby approves the proposed changes to the IRR Inventory identified in Attachment "A", which includes BIA road classification changes, Construction Need changes, section number changes, BIA road system additions, and non-BIA road system additions and deletions.

BE IT FURTHER RESOLVED that the Summit Lake Paiute Council hereby consents to granting a right-of-way to the BIA and no other person or entity, for routes over Tribal lands identified in the road inventory update as BIA-owned roads, subject to the submission and approval of the appropriate right-of-way documents.

BE IT FINALLY RESOLVED, that the Summit Lake Paiute Council hereby authorizes the Bureau of Indian Affairs-Western Regional Office to take the necessary action needed to update BIADOT's IRR System database to incorporate road inventory update changes and additions identified in Attachment "A".

CERTIFICATION

I, JERRI LYNN BARLESE, Secretary/Treasurer of the Summit Lake Paiute Council, hereby certify that the above Resolution, No. SL - 14 - 2008, was brought before the Summit Lake Paiute Council at a duly held meeting on the 15th day of March, 2008, with 3 members present, constituting a quorum, with the following votes to enact Resolution SL-14-2008: 2 FOR, 0 AGAINST; and 0 ABSTAINING, with the Tribal Chairman presiding and Not voting, and that this Resolution has not been rescinded, revoked or amended.
