

RESOLUTION OF THE SUMMIT LAKE PAIUTE COUNCIL  
SUMMIT LAKE PAIUTE TRIBE  
OF THE  
SUMMIT LAKE PAIUTE RESERVATION, NEVADA

RESOLUTION NO.: SL -26- 2008

TITLE: Increasing the Stipend Amount Paid to Council Members from \$100 to \$300 Per Council Meeting or Attendance at Business Meetings

WHEREAS, the Summit Lake Paiute Tribe, is a modern entity of the Northern Paiute People known, in English, as Lake Trout and Wild Onion Eaters who, for thousands of years, controlled 2,800 square miles of land in and around Summit Lake as a tribe with sovereign, unlimited, powers and laws (customs, traditions, usages, etc.); and,

WHEREAS, in 1964, and after much consideration, the members of the Lake Trout and Wild Onion Eaters organized pursuant to Section 16 of the Indian Reorganization Act of June 18, 1934 (48 Stat. 984) as amended, adopting, for certain sovereign purposes, the name "Summit Lake Paiute Tribe" with a tribal constitution titled "Articles of Association," the latter which was approved by the Secretary of the U.S. Department of the Interior on January 8, 1965; and,

WHEREAS, the Summit Lake Paiute Tribe's Articles of Association grant to the Summit Lake Paiute Council (see Article II, Section 1) certain sovereign powers, including the power to improve the welfare and education of tribal members and to take such action as is necessary to carry into effect any of the Council's powers and duties (see Article II, Section 1 (k)); and,

WHEREAS, prior to the Tribe being placed on Sanctions by the Bureau of Indian Affairs for previous Council members spending resulting in an alleged \$660,050 in questioned audit costs, the Stipend paid to Council members for attending regular and special Council meeting and for other Council related business was three hundred dollars (\$300.00) per meeting or business meeting; and

WHEREAS, the vast majority of the members of the Summit Lake Paiute Council were not in office during the time the alleged \$660,050 in disallowed audit costs were incurred; and,

WHEREAS, the cost of a gallon of gasoline and diesel has risen significantly since May 2006 when the current Council members, or those whose seats were filled following resignations, took office; and,

WHEREAS, current Council members live as far north as Lakeview, Oregon, and as far west as the Sacramento, California, area; only two of the five Council members live in Nevada; and,

WHEREAS, when the Council Stipend was \$100.00 per meeting, in May 2006, the average retail price of gasoline in the United States was \$3.00 per gallon. See Nelson Schwartz, Senior Writer, "Gas prices: No relief in sight," Fortune Magazine (May 19, 2006); and,

WHEREAS, today, while the Council Stipend remains at \$100.00 per Council meeting the price of a gallon of regular, unleaded, gasoline, per MapQuest Gas Prices (<http://gasprices.mapquest.com>) ranges from:

\$3.76 to \$3.84 Wadsworth and Fernley, Nevada  
\$4.10 to \$4.10 Alturas, California  
\$3.97 to \$4.10 Cedarville, California  
Unreported Gerlach, Nevada  
\$3.86 to \$4.16 Sacramento, California  
\$3.97 Lakeview, Oregon; and,

WHEREAS, a dollar has less buying power today than it did in 2006. See Federal Reserve Bank of Minneapolis (<http://www.minneapolisfed.org/Research/data/us/calc/>); and,

WHEREAS, the current Council has made great strides in improving the Tribe's reporting, getting the audits done through 2007 and currently has its CPA's working on the 2007 audit, and negotiated its 2002 through 2007 Indirect Cost Rates; and,

WHEREAS, there is no valid reason for the current Council's Stipend to remain at \$100.00 per Council Meeting, IPA Meeting, or other business meetings with federal, tribal and or state officials; and,

WHEREAS, when Council members travel to trainings and conferences and are paid, mileage, per diem, and or lodging, no Council Stipend should be paid,

NOW THEREFORE, BE IT RESOLVED that the Summit Lake Paiute Tribal Council does hereby approve changing, effective this date, the Stipend paid to members of the Summit Lake Paiute Council from \$100.00 per Council meeting to \$300.00 per Council meeting as well as IPA Meetings, or other business meetings with federal, tribal and or state officials, however, no Council Stipend shall be paid when Council members travel to trainings and conferences and are paid, mileage, per diem, and or lodging.

///

## What is a dollar worth?

The Consumer Price Index (CPI) is a measure of the average change in prices over time in a market basket of goods and services. The Bureau of Labor Statistics releases CPI data monthly.

- Consumer Price Index and Inflation Rates, 1913-
- Consumer Price Index and Inflation Rates (Estimate), 1800-
- How the CPI is used to make these calculations

**Directions:** Enter years as 4 digits (i.e. 1913) through 2008. Enter dollar amount without commas or \$ sign in box on first line. Click Calculate button to compute dollar amount shown on second line.

If in 2006 (year)

I bought goods or services for \$ 1.00

then in 2008 (year)

the same goods or services would cost \$ 1.07

**Notes:**

- Limited to years from 1913 to 2008.
- Data from consumer price indexes for all major expenditure class items.
- An estimate for 2008 is based on the change in the CPI from fourth quarter 2006 to fourth quarter 2007.
- Base year is chained; 1982-1984 = 100
- JavaScript-enabled browsers only.

**How the CPI is used to make these calculations.**

- What would an item or service purchased in 2008 be worth in 19?? dollars?

**Example:**

The CPI is used to calculate how prices have changed over the years. Let's say you have \$7 in your pocket to purchase some goods and services today. How much money would you have needed in 1950 to buy the same amount of goods and services?

The CPI for 1950 = 24.1  
The CPI for 2008 = 215.6  
Use the following formula to compute the calculation:  
1950 Price = 2008 Price x (1950 CPI / 2008 CPI)  
\$0.78 = \$7.00 x (24.1 / 215.6)

- What would an item or service purchased in 19?? be worth in 2008 dollars?

**Example:**
